The Cataract Surgery Book: Options & Explanations for ...

Most cataract surgery patients are optimistic and for good reason. I have personally performed thousands of cataract surgeries in my career, including members of my own family, and the majority of those operations were qualitatively successful. And because of the success rate of such surgeries, many ...

The Cataract Surgery Book: Options & Explanations for ...

And more often than not, this is the ultimate result. But, as with any surgery, there are potential complications. Cataract surgery has risk and can result in increased dry eye, irritation, pain, diminished focus, unexpected recovery issues, inflammation, and even loss of vision are possible. And that is the reason I am writing this book.
