Vermeer 605H

Vermeer 605H. A set of belts is around \$2000. From your discription it sounds like that baler has had a lot of use. I am also curious why it has car tires on it. Most balers of that generation came with implement tires which last almost the life of the baler. This spring I sold my 605H for \$4250.

Old Vermeer 605H ... Belt alignment ?

The H baler did not have the slots in the idler roller mounts for adjusting the tracking like the later Vermeer balers. With the H you can adjust the tube brace that crosses the tailgate. By putting washers between the gate and the tube the tailgate is slightly twisted and this will adjust tracking. The manual should have more details.

605N | Equipment | Vermeer

Home Equipment Balers 605N. Like all Vermeer products, the new 605N Vermeer balers are built to last. With a sleek new design, these balers may look different, but what hasn't changed is the high-performance and reliability they have to offer.

Vermeer 605H

Posted: Tue Jun 13, 2017 5:51 am Post subject: Vermeer 605H I have a 605H that I have not used much. I am replacing the belt guides and noticed in the manual this baler was to have 2 10" outside belts and 6 4" middle belts. this one has 3 8" belts instead of the 4".

Anybody ever run an old Vermeer 605F

Anybody ever run an old Vermeer 605F ... I know this is an old thread. run as fast as you can from a Vermeer 605. at one time about half the balers were Vermeer around here now maybe .5% are. they are a hard starting to get hay in and if conditions change just a little you might as well go get drunk you will be more productive. my brother and I ...

JD 530 vs. Vermeer 605H Round Balers

Re: JD 530 vs. Vermeer 605H Round Balers. They will out produce a JD530 round bale in weight density and ability to take hay. JD has never beat the 605J and Super J Baler density or bale weight in any trial. There are 39 certified trials where an independent body weighed the bales made in the same field on the same day and JD never got close.
